

Courses & Workshops for 2018

February

EFT—Tapping a Self Help Tool

If you:

- Constantly put yourself down
- Get tired and irritable with others
- Allow stress to build up
- Have too much going on
- Have no time for yourself
- Put others first

This workshop teaches you how to use tapping to manage stress by:

- Learning how to use tapping to decrease stress levels
- Understanding how Tapping works
- Practicing the Tapping sequence
- Knowing how and when to use Tapping for yourself

Saturday 10 February 10am—1pm £40

April 2018

Wellbeing Walk

If you:

- Are constantly on the go
- In desperate need to slow down
- Want to off load
- Want the company and support of others

This group will combine the opportunity to share and chat about issues along with relaxation and healthy ways to reduce stress and slow down. The walk will be of about 40mins to an hour duration and include refreshments along the way. It will be led by myself to ensure confidentiality and support although there will be no set agenda.

If weather is not suitable for walking then the group will still go ahead indoors. The walks will be within a 5 mile radius of Barnstaple.

Saturday 7 April 10am–12 noon £10

Reiki Level One

An introduction course to Reiki as a self healing energy intervention for yourself, friends and family.

If you:

- Have had Reiki and want to learn how to use it for yourself and others
- Are curious and open minded about spiritual development
- Feel you wish to develop your understanding of this type of healing
- Want to look after your health and wellbeing

This two day certificated course will:

- Attune you to working at a higher vibrational level
- Introduce you to energy healing systems
- Teach you how to use Reiki on yourself for wellbeing and health
- Give you an understanding of Reiki and it's concepts
- Offer post course support and advice

Saturday & Sunday 27 & 28 April 10am–4pm £140
